

Become a High Country Nuclear Medicine Conference Partner!

Beat the price changes for 2024!

Book by May 1 and secure 2023 rates.

High Country continues to attract and blend experts from academia and industry, with leaders in medical specialties, regulatory agencies, and health care researchers in an informal setting to facilitate dialog and an exchange of ideas. The meeting consists of seven to eight hours of structured sessions per day (8 sessions and 4 roundtables total). In between sessions, roundtable discussions will be held which allow for ample opportunities of independent meetings and networking. The 2024 meeting, with anticipated attendance of 90+ participants, promises to open avenues and opportunities of collaboration on a variety of issues important to the nuclear medicine and molecular imaging community.

All Partners receive:

- Company name and logo on High Country Nuclear Medicine website: www.hcnmc.org
- Acknowledgement on session slides before High Country meeting sessions
- Logo on signage at the event (*if provided by February 7, 2024*)
- One 6' skirted tabletop exhibit space: exhibits are in the educational session room

In addition to these benefits, Industry Partners will receive the following sponsor designation and benefits based on level of support:

Contributor - \$1,500 (~~\$1,000 until May 1~~)

Supporter - \$3,250 (~~\$3,000 until May 1~~)
